

MP365 Advantage.

The MP365 Advantage program is our way of supporting and rewarding your Microsoft journey. We value our Microsoft partners and support your growth with a range of benefits. As you scale, so do your rewards!

Making Microsoft easy.

Almost 90% of SMBs use Microsoft for their day-to-day operations

[Australian Cyber Security Centre – Small Business Survey](#)

It is critical for MSPs to deliver and manage Microsoft effectively.

Manage Protect provide tools, access, training and programs to centralise and automate Microsoft licencing management and security without the complexity. We'll reward you with discounts and make issue resolution faster and less painful.

- ✓ Discounts and rebates
- ✓ Easy provisioning and permissions
- ✓ Local support + ticket escalations
- ✓ Security enhancements

Talk to us about your Microsoft licencing needs today.

MP365 Advantage

Manage Protect makes it easier and more profitable to buy, manage and optimise Microsoft licences.

All Manage Protect Microsoft licencing program tiers include:

- ✓ Local Melbourne or Sydney-based partner manager
- ✓ Single portal for purchasing, provisioning and managing Microsoft licencing
- ✓ Manage and access all your customers' tenancies via one platform
- ✓ 24/7 local technical support.
